SANHA Polska Sp. z o.o. | ul. Poznańska 49 | 59-220 Legnica

Hekamerk OÜ

Legnica 17.10.2017 r.

Kadaka tee 76D, 12618 Tallinn

Factory SANHA Polska sp z o.o. , provides a 10-year warranty on SANHA Therm galvanized steel

The system must be fitted with Sanha Therm pipelines and Sanha Therm fittings, they must be fitted with specially designed pressing tools and in accordance with the installation manual for SANHA.

Sanha Therm system installers must listen to SANHA factory installation piping installation.

It is possible to provide a 10 year warranty for Sanha Therm systems in individual facilities. The provision of this guarantee must include:

- Object name
- Customer
- Installation company that performs installation work
- Sanha therm system vendor

According to SANHA's research, the Sanha Therm system has a service life of at least 50 years, the lifetime of which affects the EPDM gasket.
